Etta,
I don't why you
was crying at the

of luck for ever.
(John)

Etta,
You have put out some
real good papers this year.
Congratulations. You're the type

Etta,

You have really been
a swell girl throughout

You are someone I

going to school with.
You, Judy, and I have

1956 YELL-O-JAK

PUBLISHED BY THE SENIORS OF
GIBSONVILLE HIGH SCHOOL
GIBSONVILLE, NORTH CAROLINA

Foreword

Music means happiness, and because we want our 55-56 Yell-O-Jak to make everyone happy, we are presenting this year's events in a musical manner.

We realize all too well that life is a serious business, but, as for now, we are going to abandon all care and store between the covers of this book those treasured memories of our early youth.

We shall show you how approximately 200 students can work, study, and play together toward different goals, yet live in an atmosphere of mutual respect and harmony.

All of this we do in a gay and happy mood, so that in the years to come you may glance through this Yell-O-Jak and close it softly with a gleam in your eye, a smile on your lips, and a song in your heart.

To Our Parents

When all our other debts are paid,
Our greatest debt will still be due
For sacrifices you have made
And cares that we have brought to you.

We have been slow to understand
The patience and the love and pride
With which for our sake you have planned,
Your own ambitions put aside.

When others have withheld from us
The praise that we have longed to hear
You, Dad and Mam, have been generous
And glad to speak the word of cheer.

With eager efforts you have sought
To smooth our paths and make them fair;
Unselfishly expecting naught
In payment for your tender care.

We have been slow to learn, but now,
With recollections that are sweet,
We weave a laurel for your brow
And lay our tribute at your feet.

Sincerely

7. Go! girls, go!

Etta,

I guess I could write a book without even trying on what knowing you has meant to me. I'll never forget you even though we won't be seeing much of each other now that our school days are about over. I hope we'll continue to be friends. I know I tease you a lot but I don't really mean anything by it. I can truthfully say I never knew anyone as sweet as you.

I will never forget you. You've been so good to me - really, I mean it. Maybe you don't realize it at the time, but you've made me decide not to do several things I know now I'd be sorry for. Stay sweet, watch ELON, + don't take any wooden nickles...

Etta,

I have enjoyed going to school with you and some of the "other activities" we have been engaged in. (I'll keep an eye on them next year.)

Good luck in every thing you do.

Et-ta, I won't write what I would because you might want to look back at this book and I wouldn't want you to get "sick" ha!
me I won't even forget. You are certainly a warm helpful friend in every thing - I always know you'll be there ready to help.
Etta, I hope you find a nice boy who will be very deserving of you, who - even he will love the same girl who was so helpful.
Don't ever forget our good old school days!
you want to come to town for something you can come to see me.

As the years go by, one by one
Think back at all the pleasures
and the fun,

You will never know how much I have enjoyed
being your friend and being in your classes. When
you are at W.C. next year don't forget all the
good times we have had together, and the times I
had to cry on your shoulder. I hope that I can
always be as good a friend to you as you have
been to me. Before long some nice guy will
come along that you will fall for, but until
then keep looking, and have a good time.

Best of luck to you in your future years at
college.
